### **PURPOSE:**

This policy is established pursuant to the authority of the Enhanced Access to Public Records Act, 1996 P.A. 462, an act to authorize public bodies to provide enhanced access to certain public records and to impose certain fees for providing that enhanced access; to regulate enhanced access to certain public records; and to authorize public bodies to establish and impose fees for the use of geographical information systems.

2. Operating Expenses: includes, but is not limited to, a public body's direct cost of creating, compiling, storing, maintaining, processing upgrading, or enhancing information or data in a form available for enhanced access, including the cost of computer hardware and software, system development, employee time and the actual cost of supplying the information or record in the form requested by the purchaser.
3. Person: that term as defined in section 2 of the Freedom of Information Act, 1976 PA 442, MCL 15.232.
4. Public Body: that term as defined in section 2 of the Freedom of Information Act, 1976 PA 442, MCL 15.232.

6. Reasonable Fee: a charge calculated to enable a public body to recover, over time, only those operating expenses directly related to the public body's provision of enhanced access.
7. Software: a set of statements or instructions that, when incorporated in a machine-usable medium, is capable of causing a machine or device having information processing capabilities to indicate, perform, or achieve a particular function, task, or result.

Writings include requests submitted by facsimile or electronic mail. Any requests made pursuant to Michigan's Freedom of Information Act, shall be made to the FOIA Coordinator and shall be subject to the statutory requirements of that Act. All withdrawal of requests must be submitted in writing by the requestor. Writings include requests submitted by facsimile or electronic mail.

Response to the request shall be made in a timely manner, not to exceed 5 business days, from the date of receipt of request. The request shall indicate the date, time and place when said public inspection of the requested public records shall take place. The establishment of the date and time of the public inspection of the requested public records shall be at the discretion of the responding Chassell Township Employee. The place designated for the requested inspection shall be the Chassell Township Office or the Chassell Township Assessor's Office where said public records are officially retained. The inspection time will be between the hours of 9:00 am and 3:00 pm, Monday and Wednesday, unless mutually agreed to by the Chassell Township Employee and the requesting party.

**FEES:**

A public body has the right to charge a reasonable fee for providing enhanced access to public records. It is the policy of Chassell Township to charge a reasonable fee to provide enhanced access for the inspection, copying or purchasing of a public record that is not confidential or otherwise exempt by law from disclosure. A reasonable fee will be charged for providing access to either the Geographical Information System, or the output from a Geographical Information System. A fee shall not be charged unless failure to charge a fee would result in unreasonably high costs to the public body. A fee shall not be charged for the official use of another public body if the access from the system is provided in accordance with a written intergovernmental agreement that contains specifications listed in Act 462. The attached fee schedule will be reviewed and updated by the Chassell Township Board by resolution as needed.
