

# Chassell Township 5-year Road Repair Plan (2023)

Recommendations above provided by the Chassell Township Planning Committee to the Houghton County Road Commission. This list is based on current conditions evaluated by the Roads Committee and the Community survey results from 2020. Please note, these are what we believe to be the Townships priorities and do not guarantee completion, funding, or this order. We appreciate the time taken to consider this list.

<b>5-year Plan Major construction Projects</b>	
<b>Road</b>	<b>Explanation</b>
Massie Rd.	Complete project 2022 (complete ditches)
North Entry, Lower Pike, Sturgeon River Rd.	All roads are existing gravel roads that have a significantly lower quality in the spring months. Plan to pave to provide year-round quality
